

CONNECTION NEW BRUNSWICK

The Connection New Brunswick

pilot project's goal is to help meet the needs of vulnerable older adults, so they remain at home, healthy, safe and supported by their community.

The steps taken to meet these goals will be:

- **Identifying** vulnerable older adults;
- **Assessing** their needs and linking to the right services in their community and;
- **Co-designing, building and leading** community-based programs with local organizations.
