	<p>NBSRT AGM 2024</p>
--	------------------------------

Haven't registered for the **NBSRT AGM 2024**? It's not too late!

You have until April 30th to register!! Join retired teachers from across the province for Wellness activities, a Social Evening and a chance to find out how your NBSRT is serving you. Even better, NBSRT SJ is offering to refund the registration fee and parking for 30 of our members. Should we have more than 30 of our local members participate, compensation would be equally shared amongst all local registrants. So, you could be active, have fun, socialize with other retirees, educate yourself, have refreshments and a delicious lunch, and best of all get all or most, of your money back. **Activity fees are separate.**

Also, if you were one of our members who offered a "token of your talents" as one of our door prizes, it is time to arrange for it to be picked up or dropped off.

Please contact Pat Murray at donmur23@outlook.com (506-847-8758) or Lori Wall lori.wall444@gmail.com (506-635-0903).

Membership Report

Your Membership Committee will be attending the April 23rd NBTA Rep Meeting at Bayside providing afterschool snacks.

Our goal is to remind teachers that we support them and ask School Reps to provide potential retirees with our *Thinking of Retiring?* brochure.

Just a reminder to all members that the provincial association has a new membership secretary and our Application for Membership has changed. Please get a copy of the new one and have it available to encourage friends to join. We will have new copies available at our AGM May 23 at Hope Center.

A Request from Dale MacRae, NBSRT Provincial:

The NBSRT started in Saint John originally - check out this link from our website for a bit of the Saint John connection - <https://www.nbsrt.org/history-of-nbsrt/>

Hello Everyone.

As part of the NBSRT's 50th Anniversary celebrations in 2025, we are hoping to publish some photos of past AGM's and are asking Branch Presidents and their members to help.

There may be photos of AGMs held in your branch, or there may be photos taken while attending AGMs in other branches. There may be photos of historic events involving NBSRT members. Would you ask your members to examine their scrapbooks, look in old files, check photo albums, etc to see if anything exists that could be used to bring the past into focus.

"This is not a drill". We need your help. Please reach out to folks in your branch to start the search for photos that can be used to celebrate the NBSRT's rich history.

Scan whatever you find in JPEG or PNG format and send it to MARTA archivist **Marjorie Sinclair** - marjsinclair@gmail.com

Thanks.

Dale
