Roger Nesbitt, President of NBSRT.

Roger presented George Little with a new commemorative pin, recognizing his contributions to NBSRT and further acknowledging his Lifetime honorary status.

Joan Pierce- Stonehammer Geo Park

A Geo park is a place that shows the geological lifespan of the earth dating back a billion years. Stonehammer is the only park in North America. It stretches from Lepreau Falls to St Martins and Grand Bay Westfield to Norton. The local branch is offering an all day bus trip to see sights, leaving the Lancaster Mall at 8:30 on the 26th of June. There will be little walking. Saint John is hosting an International conference in September this year. Sign and pay today.

Margaret Urquhart – chair of social committee thanked her committee and highlighted a few events coming up this fall. September 2nd Drop out Brunch (Assumption) October 15th, Semi Annual meeting and dinner, (St Marks, Quispamsis)
