

## **SOCIAL COMMITTEE REPORT**

As the 2014 – 2015 year draws to a close the Social Committee extends sincere thanks to members for their support. Your attendance at our fall brunch, fall and spring luncheon meetings, Christmas social and games afternoons, along with your anticipated participation in our June day trip, tells us we offer activities you enjoy. As you may know most are offered on a cost recovery basis, some are subsidized by the branch.

Always welcome are your suggestions and ideas for additional activities and ways to improve those we do offer. Do not hesitate to share your thoughts with and give your feedback to any member of the Social Committee.

As my term as chair comes to an end I cannot overstate how fortunate I have been to work with such a dedicated committee of volunteers –Jackie Clark, Pat Dugay, Anne Levasseur, Norma Murphy, Pat Roy, Ann Stone, Laura Wheaton and new member Netta Chase. Whatever the need they readily volunteer to take on tasks and do the work behind the scenes that makes everything happen.

Respectfully submitted  
Margaret Urquhart (Chair)
