www.nbsrtsj.nbta.ca

The website committee for 2014 – 2015 is Kathy Dalling, Larry McPhee, Barrie Rigby and Ellen Palmer.

Monthly meetings were held throughout the year to keep our website updated with current activities, upcoming events, and newsletters within our organization. You can also access our site to discover information about Senior Discounts, Group Insurance, Memoriams, Informative Links and much more.

We are currently working on giving our website a facelift. Within the next couple of months, we hope to introduce a new look and feel for our site. We will keep you posted.

New ideas or suggestions to improve our website are always welcomed. Please submit these to any member of our team and we will certainly incorporate any recommendations.

Respectfully submitted,

Ellen Palmer for the Website Committee
